

515 Series

Working for a cleaner, safer world.

PRODUCTIVITY ENHANCEMENTS

• **Extend scrub time up to 360%.** The optional ES feature eliminates non-productive stops for solution tank refilling. With ES you clean up to twice the area of non-ES machines with as much as 3 1/2 hours of uninterrupted cleaning.

• **Increase productivity** with the MaxPro 1200. The optional 48 inch (1220 mm) wide scrubbing system gives full sized machine productivity while maintaining the impressive maneuverability of the compact 515.

• **Eliminate extra cleaning steps** with the Off-Aisle Power Wand. The option extends operator productivity by picking up spills under racks or from other places scrubbers cannot reach.

SPECIFICATIONS*

515 Scrubber

Dimensions:

Length:	83 in	2110 mm
Width (with squeegee):	47.5 in	1210 mm
Height:	57 in	1450 mm
Height (with overhead guard):	80 in	2035 mm
Weight (with standard battery):	2,470 lb	1120 kg

Scrubbing system:

Scrubbing path:		
MaxPro 1000 (standard):	40 in	1020 mm
MaxPro 1200 (optional):	48 in	1220 mm
Scrub brush diameter (2 disks):	20 in	510 mm
Brush motors (2):	1 hp	.75 kW

Recovery system:

Solution tank: polyethylene	55 gal	210 L
Recovery tank: polyethylene	50 gal	190 L
Recycling tank (ES option):	90 gal	340 L
Vacuum fan:	14,000 rpm	

Propelling system:

Speed forward:	5 mph	8 km/h
Propel motor:	3 hp	2.2 kW
Gradeability - in transport:	8.5 deg/14%	
- when cleaning:	6 deg/10.5%	

515 SS Sweeper/Scrubber

Dimensions:

Length:	105 in	2670 mm
Width (with squeegee):	47.5 in	1210 mm
Height:	57 in	1450 mm
Height (with overhead guard):	80 in	2035 mm
Weight (with standard battery):	2,745 lb	1245 kg

Scrubbing and recovery systems: (same as 515 Scrubber)

Sweeping system:

Cleaning path:	49 in	1245 mm
Main brush length:	34 in	865 mm
Side brush diameter:	19 in	485 mm
Hopper volume:	2 ft ³	55 L
Hopper capacity:	200 lbs	90 kg
Panel filter surface area:	47 ft ²	4.4 m ²

Propelling System: (same as 515 Scrubber)

Optional equipment for both machines:

Extended scrubbing system	Filter system removal (515 SS)
MaxPro 1200 scrubhead	Heavy duty brush motors
Squeegee wand	Heavy duty bumpers
Light packages	Adjustable seat
Positive solution drain system	Overhead guard
Off-aisle power wand	Non-marking tires
Roll-out battery prep kit
